INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner
for Patents
Washington, D.C. 20231

Sir:

This statement is filed in the application identified above pursuant to 37 C.F.R. § 1.56. No representation is intended that a complete search has been made of the prior art or that no better art references than listed below are available. A copy of each reference is provided for review by the Examiner. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in §1.56(b).

None of the cited art is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

This Information Disclosure Statement is being filed within three months of the filing date of the above-identified application or before the mailing date of a First Office Action on the merits. In accordance, with 37 C.F.R. §1.97(b), no fees are believed to be due in connection therewith. To the extent that any fees may be due in connection with this Information Disclosure Statement, please charge any such fees to our Deposit Account No. 10-0435.

Respectfully submitted,
BARNES & THORNBURG
